

Understanding Ordinary Landscapes

Filesize: 4.98 MB

Reviews

Simply no phrases to explain. It is definitely simplistic but shocks from the fifty percent from the pdf. You may like the way the blogger write this ebook.

Yale University Press. Paperback. Book Condition: New. Paperback. 284 pages. Dimensions: 9.0in. x 6.1in. x 0.7in. How does knowledge of everyday environments foster deeper understanding of both past and present cultural life? In this book, authorities in social history, architectural history, American studies, cultural geography, and landscape architecture explore aspects of the emergent field of cultural landscape studies, demonstrating the value of investigating the many meanings of ordinary settings. While traditional studies in this field have been of rural life, most of the authors in this collection take on urban subjects, and with them the challenging issues of power, class, race, ethnicity, subculture, and cultural opposition. There is a chapter by J. B. Jackson, the field's foremost proponent and exemplar, on the nature of the vernacular house and the garage. Some of the other contributors include James Borchert on the social stratification of Cleveland suburbs; Rina Swentzell on a comparison of native and federal environments on the Santa Clara Pueblo in New Mexico; Reuben Rainey on the Gettysburg battlefield; Dolores Hayden on the potentials of ethnic landscape documentation; and Denis Cosgrove on spectacle and society. Still other authors Wilbur Zelinsky, Richard Walker, Dell Upton, David Lowenthal, Jay Appleton, and Robert Riley explore the problems and potentials of vision and space as sources of social interpretation. The book also includes a historical review of recent trends in the field of landscape studies and an annotated bibliography. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
