Random House USA Inc, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Anyone who has tried to sleep with a baby is probably familiar with The Snow Angel, The Booby Trap, and The Roundhouse Kick ; they ve experienced these sleep positions even if they didn t know their official names. Now, with The Guide to Baby Sleep Positions, new parents can identify exactly which bedtime contortions they ve already mastered and perhaps preview some positions that baby hasn t tried yet. Andy Herald and Charlie Capen are the talented dads behind the growing entertainment website . Andy is a graphic designer and Charlie is an actor; together, they crank out a humorous stream of anti-instructional parenting content in the form of info-graphics, spoofy product ideas, and hilarious videos. All of their posts generate hundreds of shares across social media, but the Baby Sleep Positions stand out for garnering the biggest buzz. The Guide to Baby Sleep Positions features some of the most popular posts on the site (we can t leave out H is for Hell or Jazz Hands), but two-thirds of the content will be unique to the book, and ALL of the positions will be accompanied by new text. Packaged as a gifty paperback with flaps and priced at \$9.95, the book is an irresistible gift for Mother s Day, Father s Day, or a baby shower, or simply as a shared laugh between new parents.
