Troubador Publishing, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. The Great Wizard Wars is an exciting tale of the wars between good and evil armies of wizards and witches, which is ideal for fans of fantasy stories aged 7-11 years. Modern wizards and witches are leading extraordinary lives, going about their day-to-day business in a peaceful manner, hidden from the rest of the world. Breaking the ancient truce that was reached after the first war, a Dark Army rises once again, intent on destroying these descendants of its old foe. The backward, outrageous, evil wizards and witches launch their attack with outmoded weapons and mystical creatures that they cannot control while they fight amongst themselves for power in a frankly mind-boggling manner. As good and evil forces clash once again, four young wizards and witches find themselves in perilous situations. In a twist of fate they are forced into an unexpected showdown. Written in a style reflective of Roald Dahl, Christina Clarry s writing is brimming with gross humour, from the revolting smell of the characters to their foul and wacky habits. Full of ferocious dragons, unpredictable zilants and a zany snake, The Great Wizard Wars is sure to capture the imagination of young readers looking for an exciting and humorous fantasy story.
