Oxford University Press Inc, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. Originally termed Industrial-Organizational Psychology (I/O), practitioners of this specialty emanate from varying backgrounds in business-psychology related fields. Although it was one of the original four specialties of the American Board of Professional Psychology established in 1947, the domain of contemporary I/O professional practice can best be thought of as a hybrid across multiple traditions. The topical volumes address best practices across the functional and foundational competencies that characterize the various psychology specialties, including clinical psychology, cognitive and behavioral psychology, school...
