Reviews

These types of publication is the ideal ebook readily available. It can be loaded with wisdom and knowledge Its been developed in an extremely simple way and it is just following i finished reading through this publication in which actually altered me, affect the way i believe.

(Ms. Lura Jenkins)

FROM LUCY TO LANGUAGE

SIMON SCHUSTER, United States, 2006. Microfilm. Book Condition: New. Revised ed.. 302 x 254 mm. Language: English . Brand New Book. In 1974 in a remote region of Ethiopia, Donald Johanson, then one of America s most promising young paleoanthropologists, discovered Lucy, the oldest, best preserved skeleton of any erect-walking human ever found. This discovery prompted a complete reevaluation of previous evidence for human origins. In the years since this dramatic discovery Johanson has continued to scour East Africa s Great rift Valley for the earliest evidence of human origins. In 1975 this team unearthed the First Family, an unparalleled fossil assemblage of 13 individuals dating back to 3.2 million years ago; and in 1986 at the Rift s most famous location, Olduvai Gorge, this same team discovered a 1.8 million-year-old partial adult skeleton that necessitated a reassessment of the earliest members of our own genus Homo. Johanson s fieldwork continues unabated and recently more fossil members of Lucy s family have been found, including the 1992 discovery of the oldest, most complete skull of her species, with future research now planned for 1996 in the virtually unexplored regions of the most northern extension of the Rift Valley in Eritrea. From Lucy to Language is a summing up of this remarkable career and a stunning documentary of human life through time on Earth. It is a combination of the vital experience of field work and the intellectual rigor of primary research. It is the fusion of two great writing talents: Johanson and Blake Edgar, an accomplished science writer, editor of the California Academy of Sciences Pacific Discovery, and co-author of Johanson s last book, Ancestors. From Lucy to Language is one of the greatest stories ever told, bracketing the timeline between bipedalism and human language. Part I addresses the central...
