

Values of Harry Potter: Lessons for Muggles, Expanded Edition

By Ari Armstrong

Ember Publishing. Paperback. Book Condition: New. Paperback. 174 pages. Dimensions: 8.4in. x 5.4in. x 0.6in. The adventure stories of the boy wizard Harry Potter tap life's most pressing questions about love and values, evil, free will, and the soul. Ari Armstrong's Values of Harry Potter explores the complex themes of J. K. Rowling's beloved novels, illuminating the heroic fight for life-promoting values, the hero's need for independence, and the role of choice in virtue. Drawing on the ideas of Aristotle and Ayn Rand, Armstrong then critiques the Christian elements of self-sacrifice and immortality, arguing that they ultimately clash with the essential nature of the hero as exemplified by Harry Potter and his allies. Values of Harry Potter offers a unique, succinct, and provocative look at Rowling's revolutionary novels for both enthusiasts and critics. This Expanded Edition also reviews the novels' psychology, government, and news media. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

This is an awesome publication I have at any time read. Of course, it is playful, still an interesting and amazing literature. You will like just how the author writes this book.

A brand new e-book with a new perspective. Better than never, though I am quite late in starting to read this one. I found out this e-book from my dad and I advised this publication to find out.
