## Lessons from the Future (Paperback)

By Nils Rasmussen

Lulu Publishing Services, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.John Armstrong is a widower and disillusioned scientist working at the Jet Propulsion Laboratory in Pasadena. When he meets Fred Capistrano, a mysterious being from Nema who invites him to the planet to attend a university along with thirty scientists from other planets, John snatches the chance to escape his stale career and embark on an extraordinary adventure. Nema is many years ahead of Earth in development and has already endured a crisis that caused its progress to spiral out of control. As his studies begin at the University of Nema, John soon learns what its inhabitants did to survive as well as their innovations and discoveries that may one day become reality on Earth. When he finally returns to his own planet, it is now up to John to save Earth from its future. In this sweeping science fiction tale, a scientist travels to another planet where he discovers his life's purpose: to fight for the survival of Earth and ultimately change the world.
