

City of Atlantis (Paperback)

Filesize: 2.5 MB

Reviews

This ebook is definitely not easy to get going on looking at but quite fun to learn. We have read and so i am sure that i will gonna study once more yet again later on. I am very happy to inform you that here is the finest publication i actually have read inside my personal daily life and might be he best publication for possibly.

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. The legendary lost island subcontinent Atlantis has captivated mankind from all walks of life, for many generations. Many legends origins have been lost in the mists of time, but not the origin of the City of Atlantis. The ancient Greek philosopher Plato, was the first to mention it. Over the centuries in spite of Atlantis clear origin in fiction, multitudes of people have claimed that there must be some truth behind the myths and have speculated about where Atlantis could be found. Many Atlantis experts have located the lost continent all around the world, but Plato is crystal clear about where his Atlantis is. While many believe the story is a myth created by Plato to illustrate his theories about politics, others insist it is based on a real historical disaster. Recently two scientists who worked off the coast of Cuba, used exploration robot submersibles and have confirmed that a gigantic city exists at the bottom of the ocean. Amazingly, the site of the ancient city that includes several sphinxes and at least four giant pyramids plus other structures, is located within the boundaries of the Bermuda Triangle.
