It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Candlewick Press (MA), United States, 2013. Paperback. Book Condition: New. Katharine McEwen (illustrator). Reprint. 193 x 130 mm. Language: English . Brand New Book. Some animal farms are up in the hills, or down winding lanes. But Silver Street Farm is different it s in the middle of a city, and it s run by kids! Even though Meera, Gemma, and Karl live in the city, they ve always wanted a farm of their own. And it looks as though their dream may happen sooner than they imagined when Meera discovers an abandoned railway station with grounds for grazing. Next, some eggs they thought were foul hatch into ducklings, and a couple of poodles bought off the Internet turn out to be lambs. There s just one problem: how can the kids and the community persuade the city council not to turn the old site into a parking garage? The first in a series of fun-filled stories about Silver Street Farm, here is a tale with natural appeal for kids who love animals, aim to be green, and enjoy a do-it-yourself spirit of adventure.
