Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Most men have difficulty understanding women. They are not familiar with the way women work, their philosophies, or what makes them happy. They do not realize the vast diversity of women in comparison to men. Women function differently from men. They have different hormones which, in effect, make them think differently than men. This book on dating advice for guys and men will help you understand women in such a way that you will be able to date them with ease. It will give you an insight to the needs of women as well as how you can satisfy their needs and expectations. Most men are unable to successfully secure dates because they do not understand the behavior and nature of women. This causes men to have lapses in relationships and dating, or, even worse, to get completely rejected from the start. This dating help book will help familiarize you with the behavior of women and dating rules. It will help you react in a manner that complements the woman's expectations and needs. It will help you minimize conflict and arguments with women. It will also provide you with an insight into the psychological differences of men and women. This dating help book contains a wealth of dating advice for guys and men garnered from scientific researches and the personal experiences of a variety of people. Over the years, many people have shared their successes and failures in dating. There are a multitude of aspects that lead to the success or failure of a date. This dating help book will explain the different aspects that are related to relationships and dating, such as environment, ambiance, and atmosphere....
