

Incredible Acrylics: Techniques, Ideas and New Ways to Use This Versatile Medium (Paperback)

Filesize: 5.57 MB

Reviews

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Llewellyn Terry)

INCREDIBLE ACRYLICS: TECHNIQUES, IDEAS AND NEW WAYS TO USE THIS VERSATILE MEDIUM (PAPERBACK)

Search Press Ltd, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. Well-known contemporary artist Jean-Paul van Boxtel introduces many innovative techniques and applications for acrylic paint, whose physical composition makes it incredibly versatile. The book also deals in detail with the latest trends, including gels and media. The first part of the book answers the question what is acrylic paint? , and goes on to describe the various products that are available. Following on from this is a gallery section, providing examples of paintings that show the wide range of styles and finishes possible using acrylic paints. The author then guides you step-by-step through sixteen workshops , each of which uses a different set of materials, so that the reader can learn how to create their own beautiful paintings. These include still lifes, landscapes, architecture, portraits and abstract art. Careful attention is paid to health and safety throughout, and a useful colour chart at the end of the book introduces you to the range of colours available from which you can put together your own palette. The book includes exceptional photographs, taken by the author specially for this book.
