Constance works in a world she never encountered in business school: the real world. She is bounced among a kaleidoscopic assortment of bosses, squeezed through the merger ringer, shaken by excruciating exercises in team building, and forced to exude passion against her will. Constance remains committed to a life of urgent deliverables, key learnings, and continuous self-improvement until she discovers that the daily grind can have deadly consequences. Her mindset forever impacted, Constance veers off her career path and into a series of outrageous acts that mock the corporations will to power and celebrate a passion that refuses to be compromised.
