WaterBrook. Paperback. Condition: New. 224 pages. Imagine you are a young, ambitious, successful appraiser of artifacts and antiquities your services in demand by many of the most powerful individuals and branches of government in Washington, D. C. Your future could not seem brighter except for a troubling dream. . . with the same mysterious message. . . on the same exact date. . . three years in a row. . . A True Story. . . Better Than Fiction Timothy P. Smith, heir to a renowned family business responsible for construction or renovation of some of Americas most cherished landmarks, struggled to understand the significance of his recurring dream. . . until he had another dream--one that identified a specific location where it seemed he might find answers to his questions. It took the convergence of the sacred text, one mans life, and modern computer technology to reveal messages that may explain dramatic world events, as well as influence every person alive today. Welcome to The Chamberlain Key. However one wishes to interpret the meaning and significance of the text, they may rest assured that the text on which Timothy Smith bases his interpretation has almost certainly been there for a very long time, since before the birth of Christ. Eugene Ulrich, Ph. D. Department of Theology, University of Notre Dame Chief Editor, The Biblical Dead Sea Scrolls For more than fifteen years I managed to keep the lid on a discovery that will dramatically redirect biblical scholarship, Christian theology, and perhaps even the trajectory of history itself. Timothy P. Smith What You Will Discover in The Chamberlain Key An encrypted code in Genesis, in the oldest...
