This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2008 in the subject Business economics - Business Ethics, Corporate Ethics, grade: 2,3, Friedrich-Alexander University Erlangen-Nuremberg, course: Unternehmensethik, 42 entries in the bibliography, language: English, abstract: In the past few years, business ethics has emerged as a broad and important concept, universities are offering seminars, corporations are sending their managers on trainings, and an enormous literature body seems to be emerging out of nowhere. In general, there are three main approaches to the grounds of acting socially responsible: there are moral reasons, economic reasons and institutional reasons. First of all I would like to start by giving some theoretical basics. Subsequently moral, economic and institutional theories as an explanation for the implementation of business...
