INTO THE DESERT: REFLECTIONS ON THE GULF WAR (HARDBACK)

[DOWNLOAD](#)

Oxford University Press Inc, United States, 2012. Hardback. Book Condition: New. 211 x 142 mm. Language: English . Brand New Book. In the decade following the first Gulf War, most observers regarded it as an exemplary effort by the international community to lawfully and forcefully hold a regional aggressor in check. Interpretations have changed with the times. The Gulf War led to the stationing of US troops in Saudi Arabia, an important contributing cause of the 9/11 attacks. The war also led to a long obsession with Saddam Hussein that culminated in a second, far longer, American-led war with Iraq. In *Into the Desert*, Jeffrey Engel has gathered an all-star cast of contributors to reevaluate the first Gulf War: Michael Gordon of the *New York Times*; Sir Lawrence Freedman, former foreign policy advisor to Tony Blair; Ambassador Ryan Crocker; Middle East specialist Shibley Telhami; and Richard Haass, President of the Council on Foreign Relations. Engel and his contributors examine the war's origins, the war itself, and its long-term impact on international relations. All told, *Into the Desert* offers an astute reassessment of one of the most momentous events in the last quarter century.
