MOHAMMEDANISM AND OTHER RELIGIONS OF MEDITERRANEAN COUNTRIES (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Mohammedanism and Other Religions of Mediterranean Countries In the Koran have been most effective towards its propagation, which has been still more powerfully aided by the injunction to appeal to the sword, and to have no toleration for heretics. After more than a thousand years of conversion at the point of the sword, the same fanatic spirit survives in many parts, kept in subjection in India by the strong arm of British power; but Islam also manifests a capacity for advancing by peaceful conquests both in India and Africa, which, while it may be welcomed in so far as it means the superseding of a lower by a higher religion, of polytheism by monotheism, yet has its dark side for believers in Christianity. For it brings with it a fanatic belief in so imperfect a book as the Koran, a stereotyping of formal worship, and a resolute obstruction to the distinctive teachings of Christianity. This book may be specially commended to those who wish to realise what it is that missionaries in districts dominated by Mohammedan influence have to contend with. It is the fanatical belief in the inspired and final revelation of the Koran, combined with the strength of the good points in its teaching, that make it the most serious obstacle and rival influence to Christianity.
