

The Zen of Software Development: A Seven Day Journey: A Handbook to Enlightened Software Development by Bett Correa (Paperback)

By Bett Correa

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Do you dream of working on a team of enlightened people who create software which users love? Stop dreaming and start living! This book will get you started on your journey. Zen is now ready to overtake our offices and enable our teams to create software together. I have laid out exercises you can do alone or with your team members to create a new awareness and Group Mind. I've spent over 15 years in software development and gone from being a web developer, to a DBA, to a project manager, to a business analyst, to an end to end solutions architect, and a product owner. The pattern I see repeated over and over again is teams missing deadlines, unhappy users, buggy code, and over-budget software. The reasons I blame for this are also the same time and time again: teams fighting, not understanding each other, being stuck in the past, not understanding the users, and overall stressful team environments. This small handbook lays out a step-by-step process to create a new awareness, first in yourself and then, you'll be...

Reviews

A must buy book if you need to adding benefit. I am quite late in start reading this one, but better then never. Its been designed in an exceptionally easy way in fact it is only after i finished reading this publication where in fact modified me, alter the way in my opinion.

-- Prof. London Gerlach

The best ebook i possibly read. I have go through and i also am sure that i am going to planning to read once again again later on. Its been printed in an extremely simple way which is simply after i finished reading through this ebook by which basically changed me, alter the way i really believe.

-- Telly Hessel
