Apex Publications, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The final installment of Sara Harvey's steampunk trilogy finds Portia Gyony trapped in a circus cage. Her ghostly lover, Imogen, has been resurrected to corporeal form, but a happy reunion must wait. Dark forces still lurk in the land of the dead, and they are bent on stealing the energies of the living to power a machine that will break the barriers between the realms of the living and the shadowlands beyond. This time, Portia may not have the full support of the Primacy behind her as she battles to save humankind from powers beyond the understanding of mortal man. Deceit and disaster abound, bringing Portia and Imogen closer to each other and to doom than ever before. Old allies and old enemies converge in this final chapter of the nephilim's power struggle over the world. Don't miss the first two books of the Penemue trilogy!: *The Convent of the Pure* *The Labyrinth of the Dead* Sara M. Harvey writes suspenseful, romantic, and exciting steampunk that is not to be missed. An absolute delight! --Lavie Tidhar, World Fantasy Award-nominated author of *The Bookman* and *Camera Obscura*. *The Labyrinth of the Dead* is a sensual, apocryphal nightmare--an exquisite adventure that manages to be both epic and personal, sweet and vicious. Cherie Priest, Hugo Award-nominated author of *Boneshaker*, *Fathom*, and *Four and Twenty Blackbirds* *The Convent of the Pure* is a compelling blend of the numinous and the creepy, with a rich, atmospheric setting. I devoured it in a single sitting! --Jacqueline Carey, author of *Kushiel's Dart* Reviews I finished *The Tower of the Forgotten* in record time and it left me wanting more. I give this book 5 out...
