Oxford University Press Inc, United States, 2002. Hardback. Book Condition: New. 239 x 160 mm. Language: English . Brand New Book. The book provides the investing public, real estates practitioners, regulators, and real estate and finance academics with up-to-date information on what modern scholarly research tells us about Real Estate Investment Trusts (REITs). REITs are credited to allow institutional and individual investors to invest in real estate via a corporate entity. The increasing interest in REITs as indicated by their growth in market capitalisation and institutional holdings in the United States and around the world suggests that REITs are becoming an increasingly important part of investors diversified portfolio.
