On Demand Publishing, LLC-Create Space, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The world is a MESS! Daily news reports often depress us. And yet, there is a funny side to the insanity. It is INSANE! Priorities askew, truths hidden. William Gensburger takes the best of life and turns it into a satirical examination of what it really means. And in the process you cannot help but laugh at the ridiculousness, the insanity, the triviality. I Find myself in agreement with Mr. Gensburger on practically every topic discussed in this book. His lighthearted approach enables one to be challenged to think without feeling confronted to think. Well done sir. Cliff Hitchcock - verified customer. This is a humorous reflection on modern life. On the other hand it is seemingly endlessly grumpy. So this is fantastic if you like that sort of thing! Paul Little The absurdity, not lost on the author, resulted in a title change from SIGNS YOU MAY BE AN IDIOT, to SIGNS YOU MAY NOT BE AN IDIOT once he received emails from readers too fearful to buy the book. A sequel titled Told You So has been in the works for some time. You can follow Gensburger on his Twitter account or on the company website where he interviews many authors, and fulfills his role as Story Therapist for other authors.
