Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Through my life, I have sought the mystery of wisdom. Mystery includes that which is unseen and unfelt yet existing within person and being. Respectively, the poetry herein reflects the meditative exploration of my soul and person as related to my experience with world and knowledge. This book is divided into six chapters demonstrating personal reflections on my Life as I have encountered it. In writing in the genre of poetry, I am striving to express experiential knowledge through the heart as the heart is the seat of wisdom in the human soul. Through continual thinking in the heart, a person can penetrate the mystery of cosmic being. This has been my striving since my youth. From The Publisher It is with great pleasure One Spirit Press has published this book of poetry. It is a stirring account of a soul seeking to know and understand the tides of time and existence. An ontological and Christian approach to life plays out in the poetry in such a manner that the words belong to whom ever should read it. Our hope is that this work will stir you to explore your personal connection to the existence we all share.
