

AQA A Level Computer Science Year 2 (Paperback)

By P. M. Heathcote, R. S. U. Heathcote

PG Online Limited, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. Our new A Level Year 2 textbook is written in the straightforward, easy-to-grasp style for which Pat Heathcote and Rob Heathcote are well-known. Each chapter in the book corresponds to roughly one lesson, and contains questions and exercises which can be done in class, as well as questions at the end of each chapter which can be set as homework. Answers to all questions are provided in downloadable pdf format available free to teachers from the PG Online website. This book is divided into six sections comprising 36 chapters, which together provide complete coverage of the second year of the A Level course. Two short appendices contain A Level content that could be taught in the first year of the course as an extension to related AS topics. Programming solutions within the textbook are all written in pseudocode to suit all practical languages being taught alongside the theory. To accompany this textbook, PG Online also publishes a series of six downloadable teaching units. Each topic in a unit consists of a PowerPoint presentation, teacher s notes, worksheets, homework sheets and a final assessment test with...

Reviews

This pdf is very gripping and fascinating. We have read and that i am certain that i am going to going to read once more again in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. Its been written in an remarkably easy way in fact it is only right after i finished reading this book in which basically changed me, modify the way i really believe.
