(Novella Maggio)

A NEW HANDBOOK FOR WRITERS (CLASSIC REPRINT) (PAPERBACK)

DOWNLOAD

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A New Handbook for Writers The description of English forms and functions in this book is primarily a grammar of written English, but since writing is ultimately a representation of Speech, references to spoken forms are included where they will be useful. A writer who is not attentive to his ear is generally a very poor writer. Besides, the sound of speech, if it conveys the intended meaning, often tells a writer what to put in the writing. At the same time, it has been assumed that the current generation of students and teachers can deal more efficiently with visual criteria of classification than they can with phonological, whatever may be true when linguistic study is further advanced and its results more generally known. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
