Reviews

A top quality publication along with the typeface utilized was intriguing to read through. It is amongst the most awesome pdf i have got read through. Its been developed in an remarkably straightforward way and it is only right after i finished reading this publication in which actually altered me, modify the way i believe.

Yearling, 2008. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: USA Today "DuPrau's first foray into fiction creates a realistic post-apocalyptic world. Reminiscent of Robert O'Brien's *Z for Zachariah*, DuPrau's book leaves Doon and Lina on the verge of the undiscovered country and readers wanting more." Starred Review, *Publishers Weekly* "Thanks to full-blooded characters every bit as compelling as the plot, Lina and Doon's search parallels the universal adolescent quest for answers. An electric debut!" Starred Review, *Kirkus Reviews* "Well-paced, this contains a satisfying mystery, a breathtaking escape over rooftops in darkness, a harrowing journey into the unknown, and cryptic messages for readers to decipher. The likeable protagonists are not only courageous but also believably flawed by human pride. The cliffhanger ending will leave readers clamoring for the next installment." Starred Review, *Voice of Youth Advocates* "While *Ember* is colorless and dark, the book itself is rich with description. DuPrau uses the puzzle, suspenseful action, and lots of evil characters to entice readers into the story. They will find the teen characters believable and gutsy. Part mystery, part adventure story." *The Horn Book Magazine* "The device of a hidden letter, complete with missing words, is used with such disarming forthrightness that readers will be eagerly deciphering it right alongside Doon and Lina." An ALA Notable Children's Book *Kirkus Reviews* Editors' Choice A New York Public Library 100 Titles for Reading and Sharing Selection From the Hardcover edition.
