Createspace, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Tea Party Handbook by U. S. Citizen is a fact-filled guide to what you should know about taking back America and restoring the values that made this country great. Written by a third generation American who wants to return our country to the ideals of our Founding Fathers, The Tea Party Handbook argues for balancing the budget, no gun control, and an economy that can prosper if we tax everyone with a progressive tax, like in the 1950s. The rich pay more than the poor. Bold, inspiring and informative, The Tea Party Handbook is for any American patriot who s tired of the direction our country is taking.
