*This pdf is fantastic. It typically is not going to price too much. You will not truly feel monotony at at any time of your own time (that's what catalogs are for about if you request me).*

## MIND DRIBBLE VOLUME I THOUGHTS THAT ESCAPED (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What is mind dribble? The thoughts that ooze out from that dark corner of your mind and take the form of prose and poems. This collection of mind dribble varies from love to hate, from silence to music. Let me first apologize. Some of the content in this work is pretty cheesy. Some might say vulgar, maybe even violent. Others may determine that some of the writing is just bad. Frankly, I agree. But the point here was to put it out there. Exploring these thoughts that somehow find their way on to paper, dribbling out of some dark corner of the mind intrigues me. They are snapshots of a moment in time that now seems out of place. Maybe they were just attempts at cleverness. Perhaps you will find one that captures your imagination and leads you to daydreaming. Or perhaps you will see yourself in something. We all experience the same feelings one way or another. We all have this connection in our humanity that draws us to a common craziness justified by the day to day grind of survival. But there I go again. Enjoy?.
