The pyramids of ancient Egypt were artificial mountains expressing the link of the pharaoh to the gods, and mountains have always been associated with the divine in the human imagination. The Colossus of Rhodes, the Roman Senate House and Temple of Capitoline Jove, the Grand Teocalli and Tzompantli or skull-rack of the Aztec capital Tenochtitlan, the Forbidden City of Peking, the Parisian Arc de Triomphe de l Etoile and the Brandenburg Gate of Berlin, all provide or provided material focuses for national ideals, beliefs, and culture. The story of the United States of America is one of a nation founded upon the loftiest ideals of representative government, attempting to fulfill its goals while encountering competing domestic and global forces. From the beginning, Americans debated how their national government should govern, balancing powers between the federal...
