It is one of my personal favorite ebooks. I am quite late in starting to read this one, but better than never. Your life span will likely be enhanced once you finish reading this article publication.

TALES FROM CHINA (PAPERBACK)

DOWNLOAD

Oxford University Press, United Kingdom, 2001. Paperback. Condition: New. Language: English . Brand New Book. This collection of Chinese stories begins with the great legends of how Earth and Heaven came into being, and of how the archer Yi rid the Emperor Yao of the menace of the ten suns. There are folk-tales too, about ghosts and rain-makers, poor students and magicians, and the man who was nearly made into fishpaste. Throughout all these stories the author has kept the subtle oriental flavour of the originals and brings to life all the magic and mystery of China.
