Microcosm Publishing, United States, 2006. Paperback. Condition: New. 14th Fourteenth Edition, None ed.. Language: English . Brand New Book. Bill Brown s Dream Whip zine is a raw little chunk of America full of darkened crop-fields and desert moonlight and sad, empty diners. Now in its 14th issue, Dream Whip is a zine with some history behind it. I was skateboarding one night, back in early 90s, Bill explains over email. It was late, and it was cold. I hit a rock and, suddenly, I was lying on my back and the sky was full of shooting stars. I was dizzy for a year. I started doing a zine to take my mind off my broken head. I finally got better, more or less, but the zine kept going. The long-running Dream Whip is an informed, articulate, patient piece of existential storytelling. In a tone that s half Ira Glass, half Cometbus, Bill s 344-page pocket-size 14th issue gives us stories of biblical theme parks and border-crossers, of Dutch punks and haunted houses. His is a wide-spanning, optimistic, Technicolored America, more Woody Allen than Kerouac, but always on the road. As says Bill, Dream Whip is a bad country song full of open roads and achy hearts and ratty motel rooms where I take stock of how many miles I ve gone and how many I ve still got to go.
