

Body Reading, Orion Plain and Simple (Paperback)

Filesize: 5.05 MB

Reviews

The publication is great and fantastic. It really is simplistic but surprises within the 50 % from the publication. Your daily life span will be change when you comprehensive reading this article book.
(Althea Aufderhar)

BODY READING, ORION PLAIN AND SIMPLE (PAPERBACK)

Orion Publishing Co, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. A practical guide on how to read body features. We all know that hands can reveal character and destiny, but what about other parts of the body? With this basic guide, learn how your body features can reveal health, relationship and behaviour attributes and how to spot these in others. Divination expert, Sasha Fenton, covers the most important aspects of body reading in 15 short, accessible chapters. Topics covered include faces, heads, hands, eyes, teeth, nails, feet, colours, moles and itches. Generously illustrated with line drawings and graphs, this primer is a splendid introduction and guide to body secrets. Fun facts found here: * Hair reflects one's health and one's state of mind. * Moles suggest stomach trouble, relationship problems or possibly an ill partner. * A high bony nose suggests failure in business. * Downwardly sloping eyebrows suggest a lack of energy and a tendency to whine. Based on interviews, exhaustive research and years of close observation, this practical guide is filled with fascinating facts and insight that will be greeted eagerly by all who are interested in a variety of divination systems.
