Reviews

Very good eBook and valuable one. Better than never, though i am quite late in start reading this one. I am very easily could possibly get a satisfaction of reading through a created publication.

(Brienne Heidenreich)

FACTS, VALUES, AND MORALITY (PAPERBACK)

[DOWNLOAD](#)

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2004. Paperback. Condition: New. New.. Language: English . Brand New Book ***** Print on Demand *****.Richard Brandt is one of the most influential moral philosophers of the second half of the twentieth century. He is especially important in the field of ethics for his lucid and systematic exposition of utilitarianism. This new book represents in some ways a summation of his views and includes many useful applications of his theory. The focus of the book is how value judgments and moral belief can be justified. More generally, the book assesses different moral systems and theories of justice, and considers specific problems such as the optimal level of charity and the moral tenability of the criminal law. This book will be essential reading for all professional philosophers concerned with ethics, and will prove helpful to students as well.
