## BITTER LEMONS OF CYPRUS (PAPERBACK)

FABER FABER, United Kingdom, 2001. Paperback. Condition: New. Main. Language: English . Brand New Book. Bitter Lemons of Cyprus is Lawrence Durrell s unique account of his time in Cyprus, during the 1950s Enosis movement for freedom of the island from British colonial rule. Winner of the Duff Cooper Memorial Prize, it is a document at once personal, poetic and subtly political - a masterly combination of travelogue, memoir and treatise. He writes as an artist, as well as a poet; he remembers colour and landscape and the nuances of peasant conversation . . . Eschewing politics, it says more about them than all our leading articles . . . In describing a political tragedy it often has great poetic beauty. Kingsley Martin, New Statesman Durrell possesses exceptional qualifications. He speaks Greek fluently; he has a wide knowledge of modern Greek history, politics and literature; he has lived in continental Greece and has spent many years in other Greek islands . . . His account of this calamity is revelatory, moving and restrained. It is written in the sensitive and muscular prose of which he is so consummate a master. Harold Nicolson, Observer.
