It will bring joy, tears and laughs to all genders. It explains the magic wall and the development within the womb. Absolutely a PRO-LIFE book! From Annlee: I recommend this book to all women and especially to all carrying a blessing. I believe this book could easily be used as a tutor for teenage children for sharing how and why children are conceived and arrive into this world. In a true and comforting way of sharing the answers all children one day ask of their parents. This is the must have book of the year for every mom and mommy to be!
