

## Debunk the Myths in Investing Concise Edition

By Tony Pow

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. Concise. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Tony, I just finished reading your 2nd edition. It s my pleasure to report that I found it most interesting. You re welcome to use this blurb if you like: Debunk the Myths in Investing is an all-encompassing look at not only the most salient factors influencing markets and investors, but also a from-the-trenches look at many of the misconceptions and mistakes too many investors make. Reading this book may save not only time and aggravation but money as well! Joseph Shaefer, CEO, Stanford Wealth Management LLC. 11/2013. This concise version is sold for about 25 less than the regular version. The size of the book is reduced by moving many chapters to the web and deleting some non-essential information. It is still a lengthy book. Since this book includes the Kindle version free, the link section in each article is deleted. No one including all the Federal Reserve chair men and all the Nobel-Prize winners in economics can predict market plunges. Many predicted correctly market crashes by pure luck and some even...
