

Qualitative Methods in Africana Studies: An Interdisciplinary Approach to Examining Africana Phenomena (Hardback)

By -

University Press of America, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book. This survey of methodology provides a framework for understanding Africana Studies. Correlating this book to research and writing in Africana Studies, helps to extend the perplexity, paradox, and parley of social science and humanistic research. This book attempts to answer, what is Africana Studies with reference to an interdisciplinary body of knowledge? Africana Studies is the global Pan-Africanist study of African phenomena interpreted from an Afrocentric perspective. Among those scholars who contribute to this interdisciplinary body of knowledge, perspective signals the commonality in the school of thought. This book offers general definitions and descriptions of the qualitative and quantitative research.
