Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A Guided Tour Things may not be immediately discernible in what Hemingway writes in part because he seems so transparent. Where other twentieth-century greats can be exasperatingly opaque, Hemingway is a sheer pleasure to read. The prose is crisp, clear and exciting. Hemingway is user-friendly out of the box, no manual required to read and enjoy *The Sun Also Rises* and *A Farewell to Arms*. His finely spun, deliberate masterpieces read easily. Hemingway is elusive because 1) he disarms the reader by seeming so plain and simple, and 2) he deliberately omits things, for example, I omitted the real end of [a very simple story called *Out of Season*] which was that the old man hanged himself. This was omitted on my theory that you could omit anything if you knew that you omitted and the omitted part would strengthen the story and make people feel something more than they understood. The dignity of movement of an ice-berg is due to only one-eighth of it being above water. If a writer of prose knows enough about what he is writing about he may omit things that he knows and the reader, if the writer is writing truly enough, will have a feeling of those things as strongly as though the writer had stated them. This grants the reader more than a mere hunting license for the meaning underlying Hemingway's writing, it constitutes a direct order. Hemingway criticism has long-since filled the void, so to speak, with elaborate symbolism-a literary convention that Hemingway, himself, eschewed as utterly foreign to his artistic method and design: Carlos Baker -prominent literary critic, and a biographer of Hemingway- really baffles me, wrote Hemingway. Do you...
