Reviews

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).

Taylor Francis Inc, United States, 2007. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. AME s Target Magazine has a well-established reputation for detailed case studies of companies adopting lean strategies. These case studies are now available in a well-organized Enterprise Excellence Series, to tap the ongoing desire for information about what other companies are doing to implement lean. To satisfy the growing interest in applying lean to non-manufacturing operations, this first volume of the series covers the implementation of lean to administrative and office applications. Highlights include: * Practical, in-depth description of lean office implementations, most of which have not been described in other publications. * Responds to reader desire for real-world lean office information. * Case Studies are categorized in three areas: Leadership, Organization and Training; Improving Processes; and Lean in Healthcare, making it easy to track down the type of information desired.
