

Westward Expansion (Hardback)

Filesize: 2.8 MB

Reviews

This composed pdf is fantastic. It normally will not expense too much. You will like how the writer write this publication.
(Dr. Jerald Hansen)

WESTWARD EXPANSION (HARDBACK)

DOWNLOAD

ABC-CLIO, United States, 2002. Hardback. Condition: New. New. Language: English . Brand New Book ***** Print on Demand *****. As men and women traveled west to settle America's untamed lands, and tried to strike it rich in gold, they led a simple existence, often carrying the barest necessities from one location to another. Yet they also carried with them their own popular culture, through folk songs, legends, and literature, that has often been mythologized into our present American popular culture. Through primary sources such as letters, diaries, and photographs, the author draws parallels and makes distinctions between the pioneers and cowboys of the past and those of today. Students and fans of the Old West will find this volume a rich source of history for this time period. Many images and items in today's popular culture were born in the time of westward expansion. Log cabins, cowboys such as the Marlboro Man and Woody of [^] Toy Story[^]R fame, and Levi's jeans, all have their roots in the Old West. Outlaws such as Wild Bill Hickock, Billy the Kid, and Jesse James, and good guys such as Davy Crockett, continue to fascinate students and western enthusiasts. Traveling entertainments, mail-order houses, and patent medicines, although no longer popular in today's society, tell us much about the nomadic existence of families during this time. With a timeline and a list of everyday products and their prices during the time period, this volume will be an invaluable resource to students and historians tracing the roots of American popular culture.
