DAW BOOKS, 2015. Paperback. Condition: New. Language: English . Brand New Book. Blending vigilante justice with epic fantasy, student mage Veranix Calbert fights crime in the city of Maradaine in this fast-paced debut novel - Veranix is Batman, if Batman were a teenager and magically talented. --Library Journal Veranix Calbert leads a double life. By day, he s a struggling magic student at the University of Maradaine. At night, he spoils the drug trade of Willem Fenmere, crime boss of Dentonhill and murderer of Veranix s father. He s determined to shut Fenmere down. With that goal in mind, Veranix disrupts the delivery of two magical artifacts meant for Fenmere s clients, the mages of the Blue Hand Circle. Using these power-filled objects in his fight, he quickly becomes a real thorn in Fenmere s side. So much so that soon not only Fenmere, but powerful mages, assassins, and street gangs all want a piece of The Thorn. And with professors and prefects on the verge of discovering his secrets, Veranix s double life might just fall apart. Unless, of course, Fenmere puts an end to it first. Explore the back alleys of the city in this street-level fantasy adventure, the first novel of the Maradaine series. Then see Maradaine from a new perspective, with Maresca s second, concurrent series set in the same city: A Murder of Mages begins the Maradaine Constabulary novels, featuring an unlikely partnership of two detectives in the city s constabulary.
